

— PROPOSAL EDITION 2026

Web Development Proposal

"Vision into Reality"

A complete digital partnership - strategy, design, development and delivery built to turn your business vision into a measurable online experience.

PREPARED FOR

Loom Solar

Proposal no. PROP-20260815-LOOM

— WHO WE ARE

Building brands that people remember.

D Creation Advertisement Company is built for founders and businesses who want their brand to look and perform bigger than their budget suggests. We combine design craft, content systems and performance advertising into one accountable team.

What began as a small creative desk has grown into a full-service studio serving retail, hospitality, real estate, education and personal brands across Kerala. Every plan is tailored to the client's category, audience and season - never a copy-paste template.

O

Our Mission

To make premium, strategy-led marketing accessible to every growing business.

V

Our Vision

To be Kerala's most trusted creative-and-growth partner for ambitious businesses.

— BY THE NUMBERS

120+

Client Satisfaction

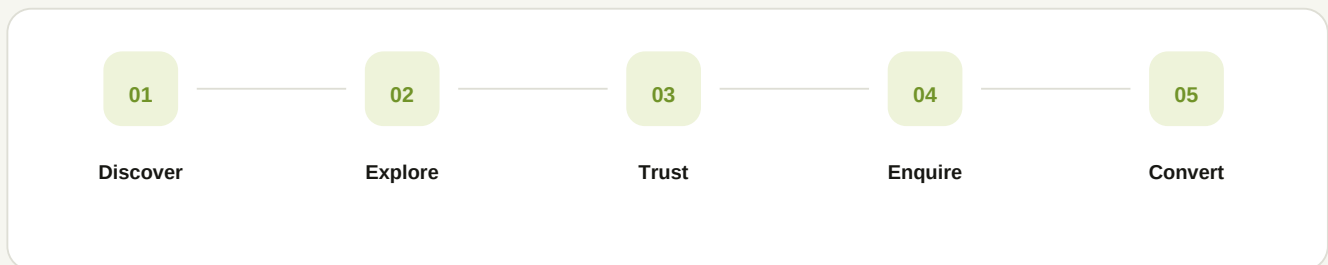

— THE OPPORTUNITY

Your website should be your strongest sales asset.

A professional website builds trust, explains your value and turns interest into enquiries - even while your office is closed.

— THE CUSTOMER JOURNEY

— WHY IT WORKS

- 1 Always-On Presence**

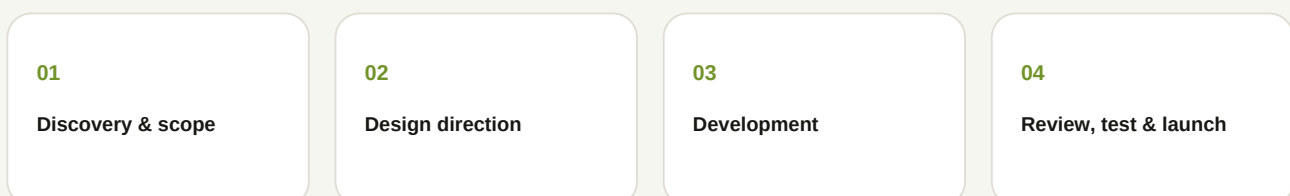

Your business remains available to customers 24/7.
- 3 Search Ready**

A clean structure helps search engines understand your services.
- 2 Built for Conversion**

Clear content and calls-to-action guide visitors to enquire.
- 4 Easy to Grow**

The platform can expand as services, content and campaigns grow.

— DELIVERY TIMELINE

— WHAT WE DO

One studio. Every growth channel.

From first impression to final conversion - our services are built to work together, not in silos.

— TERMS & CONDITIONS

The fine print, kept simple.

1

Payment

100% advance payment. Delivery begins after content, access and scope approval are received.

2

Project Start

Work begins after payment, scope confirmation and receipt of required client content.

3

Content & Access

The client supplies approved copy, images, brand assets, logins and legal information on time.

4

Revisions

Up to 3 reasonable revision rounds are included unless the selected package states otherwise.

5

Third-Party Costs

Domain, hosting, paid plugins, ad spend, talent, travel and licensed assets are billed separately.

6

Scope Changes

Work outside this proposal is quoted separately and starts only after written approval.

— DELIVERY ROADMAP

A clear path from approval to launch.

This web development proposal follows a structured delivery process with clear review points, responsibilities and final handover.
